

中 华 人 民 共 和 国 驻 希 腊 共 和 国 大 使 馆
EMBASSY OF THE PEOPLE'S REPUBLIC OF CHINA IN THE HELLENIC REPUBLIC

Dear Marianna,

Congratulations to you on the successful completion of this amazing event! Despite the distance between China and Greece, this five-day journey has created wonderful memories. I believe our Greek friends gained a deeper appreciation for the beauty of China and the kindness of its people through your experiences.

Amid Sichuan's lush mountains and clear waters, in the steaming warmth of hot pots, before the dazzling Golden Mask of Sanxingdui, and in the charming presence of playful pandas, you have captured the heartfelt aspirations of the Chinese people for a better life and conveyed our deep desire for mutual understanding between the two cultures to our Greek friends on the other side of the continent.

With your engaging short videos, live broadcasts, and real-time interactions, you have spoken the vibrant language of youth, breathing life into the stories of two ancient civilizations. Your efforts have fostered genuine emotional connections, bringing our peoples closer together.

As we look back on this journey together, I am reminded of a Greek proverb: "One star alone cannot light up the night sky, but millions together can illuminate the heavens."

Let us continue to shine side by side—lighting the way toward a brighter future for China and Greece, with the warmth of countless families and the enduring brilliance of our shared civilizations.
